

A wide-angle photograph of a two-lane asphalt road stretching into the distance. The road has a double yellow line in the center and white lines on the edges. The landscape is arid, with sparse, low-lying desert vegetation on either side. In the background, a large, rugged mountain range dominates the horizon. The peaks of the mountains are covered in snow, contrasting with the dark, rocky slopes. The sky is a clear, deep blue, suggesting a clear day. The overall lighting is soft, creating a sense of depth and tranquility.
